HANDICAPS

All members should retain an official Golf Canada handicap for use in club or other competitions.

To obtain a handicap, golfers enter a minimum of 10 18-hole scores (five scores for a temporary handicap) into the system. To enter scores, go to www.banspringsgolfclub.com and click on the scorecard image; this will take you to the Handicap page of the Golf Canada website. Enter your Username and Password (if you don't know what they are, contact Ken Riordon, Secretary Treasurer). Click on the Enter Score button and select the date played, course, number of holes, tee played and your adjusted gross score. Then click on Post Score. If you wish to have greater information available to you, enter your score hole by hole. This will allow you to track your best scores by hole and gain a deeper understanding of your game.

Members who do not have a handicap, or have not entered at least one score in the previous 12 months, will be assigned a handicap of 0 for club handicap events.
